

## December Rally - 2015

*Jolly Roving Reporter – HO HO HO!! Tis the season to enjoy gathering with family and friends. LSA did that in a Big Way at our Holiday Rally at Montgomery KOA over the past week-end. There were 32 attending the rally: 14 rigs, Fosters and Dabneys came to enjoy the festivities coachless. Also included in the in the 32 were two guest couples, now new members! Welcome to all!*

We were hosted by Julie & Kevin Carter, Sharon & David Foster, and our special host anniversary couple, Marge & Lee Helstrom. It was a magical celebration! Friday night of food fun and fellowship started out at the Sombrero Restaurant and back at the clubhouse for a rowdy round of catch phrase, with a little card game on the side. Breakfast was very tasty with breakfast tacos from Taco Cabana along with biscuits, gravy and fruit, the staple foods of LSA!

The Hellstrom's graciously shared their 60<sup>th</sup> anniversary dinner with the rally group: steaks and all the trimmings. Our lovely and talented Julie Carver made the happy couple a scrapbook with pictures and good wishes from the LSA members. The couple was touched with such a beautiful forever gift! They were also presented with a gift card to Pappa's from the LSA members. And cake – can't forget the cake!!

The holiday gift exchange was as exciting as ever! Some favorites from the past made their way to new homes for the year and I am sure we can look forward to other items reappearing! It seems we had a mystery visit from Agent 007 – he left a briefcase with some specific instructions on the envelope inside. Humm wonder if he will reappear next year??? Be sure to mark your calendars for the December 2016 rally and join in the fun!

Sunday morning breakfast, clean up and farewell's closed out the LSA rally season for 2015.

We look forward to 2016, please check your calendars and make your reservations early – should be an exciting year!

From our family to yours – May each heart be filled with Joy, Peace, Love and the Magic of the Season!  
Keep them big wheels roll'in!

Santa
